

Pharmacy in Arkansas

On June 7, 1990, the Arkansas Pharmacists Association Board of Directors commissioned an oil painting to be created by artist Judith Boody of Little Rock. The painting was planned to express both the nostalgic reminiscence of pharmacy and a feeling of the present, combined with a unique feeling of Arkansas Pharmacy. Only 1,000 limited edition lithographs (paper size: 22" x 28" - image size: 18 1/4" x 23") will be available. All are hand-numbered and signed by the artist.
